IUBMB EDUCATION SYMPOSIUM 2025 IN CONJUNCTION WITH THE ICBMBLM 2025

 Date: 25 & 26 Aug 2025

 Venue: M World Hotel, Petaling Jaya, Malaysia

The IUBMB Education Symposium 2025, co-hosted by FAOBMB and the Malaysian Society for Biochemistry & Molecular Biology (MSBMB), was held on 25–26 August 2025 at the M World Hotel, Petaling Jaya, Malaysia.

This event was organized in conjunction with the International Conference of Biochemistry, Molecular Biology & Laboratory Medicine (ICBMBLM 2025).

It featured plenary sessions, invited speakers, oral presentations, roundtable discussions, and hands-on workshops, all focused on advancing science education and fostering dialogue on emerging trends and challenges in STEM education across Asia and beyond.

We sincerely thank all participants, speakers, and organizing committee members whose contributions made the symposium a meaningful platform for exchanging ideas, building networks, and strengthening collaborations in education and the life sciences.

INTERNATIONAL CONFERENCE OF BIOCHEMISTRY, MOLECULAR BIOLOGY & LABORATORY MEDICINE 2025 (ICBMBLM2025)

IN CONJUNCTION WITH THE 35TH MACB ANNUAL CONFERENCE AND
THE INTERNATIONAL MEETING - 49TH ANNUAL MSBMB CONFERENCE

 Date: 26 & 27 Aug 2025

 Venue: M World Hotel, Petaling Jaya, Malaysia

This year, the Malaysian Society for Biochemistry & Molecular Biology (MSBMB) and the Malaysian Association of Clinical Biochemists (MACB) successfully hosted the International Conference of Biochemistry, Molecular Biology & Laboratory Medicine 2025 (ICBMBLM2025) in conjunction with the 35th MACB Annual Conference and the International Meeting - 49th Annual MSBMB Conference.

Held under the theme “Charting New Frontiers: Integrating Sustainable Innovations for Next-Generation Healthcare,” the conference brought together scientists, researchers, healthcare professionals, industry leaders, and policy representatives to exchange ideas and showcase advancements shaping the future of research and healthcare.

The event featured 2 keynote lectures and 5 invited lectures by distinguished experts, oral and rapid oral presentations, poster sessions, and interactive discussions that highlighted breakthroughs in biochemistry, molecular biology, laboratory medicine, and sustainable healthcare technologies. The conference brought together speakers and participants from more than 41 hospitals and institutions across Malaysia and 9 other countries.

It was a remarkable opportunity for students, academics, clinicians and laboratory technologists to engage, network, and explore potential collaborations, bridging clinical and fundamental research. Participants exchanged research findings, forged meaningful collaborations, and strengthened their professional networks throughout the event.

MSBMB & MACB would like to extend our gratitude to all participants, plenary and invited speakers who attended the conference and actively participated in the discussions. We would also like to thank all sponsors who supported this Conference.

List of sponsors:

Co-Chairpersons ICBMBLM 2025

- Mr. Mohd Hareeff Muhammed (MAPLM)
- Associate Professor Dr. Muhammad Fazril Razif

MSBMB SUPPORTS STEM WATAN 2025 IN CELEBRATION OF INBIOSIS' 20TH ANNIVERSARY

 Date: 19 July 2025

 Venue: UKM Bangi, Selangor

MSBMB was pleased to support the STEM Watan 2025 programme, organised by the Institute of Systems Biology (INBIOSIS), Universiti Kebangsaan Malaysia (UKM) on 19 August 2025 in conjunction with INBIOSIS' 20th Anniversary.

As a Silver Sponsor, MSBMB contributed RM1,000 and was recognised as a collaborating partner in event publicity. The society also hosted a 3m x 3m exhibition booth, where participants enjoyed a hands-on DNA extraction from banana activity, sparking interest in molecular biology.

The programme successfully gathered students, educators, researchers, and the public to celebrate and promote STEM through interactive exhibits and workshops. MSBMB is proud to have supported this impactful initiative and looks forward to future collaborations with INBIOSIS and other partners to nurture Malaysia's STEM talents.

UPCOMING EVENTS

We would like to invite all academics, students, and industry partners to participate our upcoming events:

Mushroom Science Virtual 2025

29 - 30 Oct 2025

MUSHROOM SCIENCE VIRTUAL 2025

The MSBMB Special Interest Group (SIG) Mushroom Science is deeply honored to host the 6th Annual Mushroom Science Virtual 2025 (MSV2025) meeting.

We are pleased to invite mushroom researchers from all over Asia to gather in this meeting with the aims of stimulating research, encouraging academic exchange and strengthening networking connections. We are providing a platform for young scholars to discuss recent advances and future trends of Mushroom Science to advance their professional development.

ADMISSION TO MSV2025 IS FREE OF CHARGE*

*Please note that the MEETING LINK will be emailed upon Confirmation of Registration.

PLENARY SPEAKERS

 **Mr. Boey Tee Zhou**
Founder and Managing Director
EKO Agro Biotech Sdn. Bhd.
Penang, MALAYSIA

 **Associate Prof. Dr. Bhushan Shrestha**
Organic Agriculture Program
Madan Bhandari University of Science & Technology
Chitlang, NEPAL

29 & 30 October 2025
2.00 PM – 5.00 PM
